Our name may be new but the Lewis Clark Animal Shelter's annual dinner & auction is currently in its 5th year. *Formerly recognized as "Huts for Mutts"*, we decided that our title should reflect both felines as well as canines and as a result "**Heads or Tails**" was named!

Scheduled for **Saturday, October 24th, 2010**, this year's event is being held at the **Red Lion Hotel's Seaport Ballroom**.

Tickets for this event are being sold at **Century 21 Price Right** and at the **Lewiston Petco**. Ticket prices are \$30/individual & \$280/table.

The evening will begin at 5:30pm with social hour followed by dinner from 7-8pm

and ending with the auction from 8-9:30pm.

All proceeds from this "H O T" evening will benefit the Lewis Clark Animal Shelter & Spay-Neuter Clinic, the thoughtful care of it's precious residents and the many educational programs which we hope will continue to create a culture of responsible pet ownership and caring in our community.

Thank you to our many sponsors, donors

and volunteers for making this past year so great. We could not "do what we do" without all of you. Together we can make such a difference in the lives of some very special animals.

Two Thumbs Up

Thank you to **Carol and Arnold Beckman** for their donation that allowed us to buy a much needed bank of kennels for our cats and dogs to use for recovery after surgery! This gift has helped us immensely, and we are so thankful for it!

Thank you Carol and Arnold!

Financial Development

I would like to introduce myself to those of you that I have yet to meet. My name is Nathan Titus and I am the new Director of Financial Development at LCAS.

I am proud to be on the team, and I am very excited to work with all of you. The shelter is a great asset to the Lewis Clark Valley, and I am very happy to promote its mission. I look forward to the future and the possibility of growth in this organization.

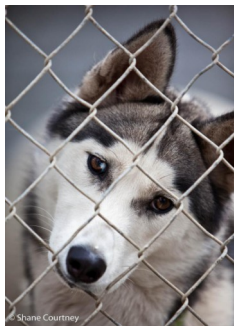

I also want to thank you for all of the support that you give to the shelter. Without you the services that the shelter provides would be impossible to sustain.

Thank you and I look forward to serving this organization,

Nathan Titus

Kennel Sponsorship Opportunity

We at LCAS are always looking for people who will help us to provide a great temporary home for our shelter animals. By becoming a kennel sponsor you are doing just that. Your monthly donation of \$35 for a dog kennel or \$25 for a cat kennel will provide toys, treats, beds and blankets. Sign up to be a kennel sponsor by emailing info@lcshelter.com or by calling 208-746-1623.

P.S. Don't just stop at one! You are more than welcome to take on multiple kennels each month!

Share The Love

During the month of November, Subaru holds it's "Share the Love" program . This program enables new car buyers to choose one of 4 national charities to receive \$250. Among these national charities is the **ASPCA**.

For any customer that purchases a new Subaru from Vern Eide Motorcars during the month of November and chooses the ASPCA as their national charity, **Vern Eide Motorcars will match the national gift of \$250 to the Lewis Clark Animal Shelter.**

Help them help us!

Shelter Scoop

Donna Duffau has been working with her kennel staff members to enrich the lives of the dogs and cats waiting for permanent homes. Spraying different scents on kennel walls stimulates curiosity, energy and alertness. Use of toys, training games, and daily leash walks help our pets maintain good social skills and prepares them for their adoptive homes.

Happy dogs and cats make for great pets and the Lewis Clark Animal Shelter's staff is working to ensure that great pets are adopted every day.

The Clinic Minute

Dr. Roxanna Durham and Mitzi Mauer, LVT

The clinic is open to the public every Friday and every other Tuesday. This service is very important because it provides a low cost spay or neuter program for our community. Without this service those who couldn't afford to have their pets spayed or neutered would add to the overpopulation of pets.
