Planned Account Withdrawal Services. 'PAWS'

We know you want to help the animals and support the programs of the Lewis Clark Animal Shelter and that you expect your contributions to be used effectively without waste. We understand that convenience is a premium in your busy life. That's why we think you'll like our **Planned Account Withdrawal Services. PAWS** enables you to make convenient, monthly donations automatically.

How it Works

You chose whether to use your checking account or credit card to make your donation. Then, on the 15th of each month, your gift is automatically withdrawn from your checking account or billed to the credit card. That's it. Easy and simple, no checks or postage. Of course, you can cancel your PAWS contribution at any time by notifying Lewis Clark Animal Shelter's Accountant at Battles and Ells 634 Bryden Ave. Lewiston, Idaho 83501 in writing.

What to Do

1. Print this authorization form.
2. Select an amount you would like to contribute each month. Because of processing costs, we suggest a minimum gift of \$5.00.
3. Choose your giving method, checking account or credit card, and sign the appropriate line. **IMPORTANT:** to give via checking account we need your voided check for the account and banking system information it contains. Just write "VOID" across the check's face and include it with the agreement.
4. Lastly, please fill in the lines for you name, phone number and address.

That's all there is. Return the agreement (and voided check if you selected the checking option) to LCAS and enjoy the good feeling that comes from knowing that you're helping to make our Valley a safer place for animals.
